

# Annapurna Base Camp Trek

**Annapurna Base camp trek** lies in Annapurna region trekking in the western part of Nepal. This trek is called Annapurna Sanctuary Trek too. Annapurna Base Camp Trek goes up above 4200 meters high from sea level.

This trek is best for natural view, Himalayan scenery and Gurung culture with tradition. Himalayan Glacier, hot spring and Modi River are along the way to Base Camp.

Also this trekking trail goes along with view of beautiful peaks of the giants - Annapurna 1, Glacier Dome, Gangapurna, Fang and the fishtail peak which is called Machapuchhre means Fishtail.

Although there is only one entrance to the sanctuary itself, we follow locally known, lesser-used approaches and exit routes on our premier Annapurna Base Camp Trek.

Annapurna Base Camp is encircled by the famous Himalayan peaks – the 'fishtail' spire of Machapuchare (6997m), Gangapurna (7454m), Annapurna 1 (8091m), the unclimbed Fang (7647m) and Annapurna South (7273m).

The only approach follows the Modi Khola Valley through forests of oak, rhododendron and bamboo, passing through local Gurung villages to a world of soaring peaks.

Also There are many trekking regions in Nepal and some other popular trekking region in Annapurna region as well which are Ghorepani Poon Hill Trek, [Annapurna Base Camp Trek - 11 days, Trek](#), [Gokyo Lake Gokyo Lake and EBC Trek](#), Namche Bazaare Trek, [Everest Base Camp Trek - 12 days](#), [Ghorepani Poon Hill Trek - 7 days](#), Mardi Himal Trek, Upper Mustang Trek and [Annapurna Circuit Trek - 12 days](#) etc.
