

## Mardi Himal Trek - 4 days

Mardi Himal Trek lies in Annapurna region of Nepal. This trek is recently being very popular for domestic and international trekker.

AS a relatively trek, the route to Mardi Himal Base Camp is not only quiet but also more adventurous and close to nature. The small path, marked by blue and white flags painted onto trees and rocks, wind through jube forests and onto an exposed ridge tea house accommodation until High Camp(3,900m). which sits directly beneath Fishtail. There is also the optional day trek to Mardi Himal Base Camp, a 6-hour return trip
