

Muktinath (Darshan) Tour - Helicopter Tour

The name Muktinath means free of God which is located in 3800 meters high from sea level and parallel to snow cap mountain ranges. It is famous for 108 water spouts and it is said that you can be free from sins if you take bathe in those spouts.

So every year many Hindus and Buddhist pilgrimage visit to pay homage in that religious site. One can enjoy with panoramic view of mountain and natural beauty in close of eye-view. It has many ways to visit Muktinath either Helicopter tour or by airplane.

Specially, we have 4 days helicopter tour for pilgrimage which is short and sweet.

In option we have other ways by air from Pokhara to Jomsom to Pokhara and jeep reservation for Jomsom to muktinath to Jomsom with accommodation package which is reasonable and affordable by normal people too.
